

KNOW Poverty Society

Solving tomorrow today

We solve for tomorrow today. This is one of our values at Catholic Charities Fort Worth. We look at the big picture, proactively address problems, and continually grow from our learnings. This is not only how we operate as a staff, but also how we view our services. We move **beyond one-off interventions** and seek **meaningful, long-term solutions** that empower families on their unique journey out of poverty.

>\$15,000
annually
